2 LIBRARY FACILITIES POLICY

2.13 *PUBLIC FAXING*

The library offers public faxing equipment via contract with an outside company.

All persons using public faxing equipment at the Library do so with the understanding that the library district will not be responsible for the conditions or results of their use, including out of order status of equipment, late or incomplete faxes, incorrect charges, etc. Contact information for the owner/operator of fax machines is available at the fax kiosk.
