2 LIBRARY FACILITIES POLICY

2.20 CELLULAR TELEPHONES / AUDIO LISTENING DEVICES

In order to further the Library's mission to provide a quiet and comfortable place for study.

Use of cellular telephones and similar audio communication devices are allowed in the library facility. Patrons are asked that ringers be silenced and use is at a minimal volume as to provide an optimal environment for library use by all patrons.

Use of listening devices is allowed as long as earphones are used and sound is not audible to other library users and staff members.
